Swimming Lessons

LESSON INFORMATION

- ✓ NEW IN 2021—**ONLINE REGISTRATION** at www.galenapool.com beginning **Tuesday, May 4 at Noon** and available all summer long. We will NOT be hosting an in-person registration night. *The new website is currently under construction.* If you need phone assistance, please call 815-777-0802 or 815-777-1050.
- ✓ Anyone who attended lessons at our pool and provided an email address in 2019 will receive an email notification with the current class your student should register for and a link to the new website.
- ✓ Please note that since the pool was closed last year, we will be testing students frequently and potentially moving them to appropriate classes based on current skill level.
- ✓ Rain days are not rescheduled. Lessons are only cancelled if severe weather is occurring or imminent.
- ✓ Refunds will be given for cancellations up to seven days before the first scheduled lesson.
- ✓ Classes are subject to change depending on the number of registrations.

PARENT-CHILD AQUATICS (To be determined)

- ✓ At least six infants (6 months to 2 years of age) must be registered for the session to proceed. Refunds will be given if the session is cancelled for too few participants.
- ✓ Children must be accompanied in the water by a parent or guardian.

ADULTS (To be determined)

- ✓ At least five adults must be registered for the session to proceed. Refunds will be given if the session is cancelled for too few participants.

AGES 3-17 (Four Sessions, each 10 days in length)

- ✓ Lessons are not cancelled due to rain or cold temperatures. That time may be used for safety presentations conducted in the bath house. If you feel your child will not tolerate lessons on a cold day we understand if you choose to keep them home.
- ✓ Please register your child for the class they should be in based on previous lessons or ask the lessons coordinator for assistance. On the first day of lessons and throughout the lesson period, the instructor will be testing skill levels to make sure each student is in the appropriate class. Students may be moved to an appropriate level to best suit their skills based on teacher assessment.
- ✓ **FUN NIGHT:** *Fun Night is the last Friday night of each session, from 7 - 9 p.m.*

All immediate family members are invited to attend Fun Night, which provides an opportunity for children to demonstrate their acquired swimming skills. Children are permitted to bring inflatable devices into the pool during Fun Night. Passes for fun night will be distributed during lessons.

LESSONS SCHEDULE: *YOUTH-AGES 3-17*

LESSON POLICY

- ✓ With COVID safety mitigations in place, we will be doing temperature checks and gathering in classes in the grass outside. Students should not enter the pool building until instructed. Parents will not be permitted in the pool area unless by special permission. Exceptions are made for children with physical and mental disabilities. The City of Galena is not responsible for those remaining in the pool area that are not participating or assigned to a class. Lessons will be provided regardless of weather. In the case of cool or inclement weather, we will have an in-service safety day. Parental discretion may be used regarding attendance. There are no make-up lessons. The City of Galena reserves the right to modify these policies as deemed necessary.
